### Attainment CO's and PO's

Arts, Commerce, and Science College Alkuti have always tried for the providing higher education to the students from rural areas. Along with education, arts, literature, culture, sports and personality development have always been given priority with the broad objective of holistic development of the personality of rural students. The college, which was started in 2004 with only 165 students, Presently it has a total number of 650 students, out of which 40% are Girls students and 60 % are boy's students. A total number of 28 teachers are imparting knowledge in the college and out of the total teachers, 05 teacher are Ph.D. holder, 10 SET / NET and 01 M.Phil. Degrees. Every year, Karmaveer Bhaurao Patil Earn and Learn scheme is implemented in the college for the economically weaker students. The Siddhivinayak Trust, Mumbai distributes text books to the financially weaker students in the college every year. The sports department of the college is always striving to give a boost to the sports scores among the students. The participate at the Intercollegiate level in various sports such as swimming. Students have participated in various competitions like kabaddi, cricket, boxing, running and so far a total number of 12 students have won prizes in these competition

College teachers always play an important role in research work. They have participated and presented their research papers in various conferences and seminars. Last year a total number of 04 teachers have participated in international conferences and presented their research paper, while a total number of 24 teachers presented their research paper in National, 10 teachers have participated and presented their research papers in state level seminars and 13 teachers have participated workshops. The college organizes state level seminar on various burning topics every year from its own funds. So far one State Level Seminar have been organized in 2019-20 the College and the research papers submitted by the participating teachers and researchers and it has been published in the book. With the aim of enabling college students to meet the challenges of today's changing times, the college offers B.A., B.Com. and B.Sc. Along with traditional education, business oriented courses have been started. In order to provide job opportunities to the college students after completing their education, campus interviews are jointly organized by ICICI Bank. This led to the successful selection of many college students. The same activity is implemented in the college every year. Savitribai Phule Pune University is operating a unit of 75 students under the National Service Scheme in the college with the objective of overall development of the student and maintaining social commitment with the awareness that we have to give something to the society in which we live along with college education. Under this scheme, village sanitation, tree planting, blood donation, AIDS awareness, etc. activities are implemented. Every year a special winter camp of the National Service Scheme is held in a village in this area. 75 volunteers participate in this camp. In this, the college students demonstrated that the villagers and the youth can lead the village towards development through hard work and through this they developed their own personality

For the purpose of providing employment opportunities to the youth in rural areas, the College jointly implemented with the four-walled education, industrial and study tours are organized at various places for the noble purpose of imparting practical education to the students. This helped the students to get practical education. Every year organizes 'Alumni Meet' for the students. Students participate in various activities like Food Stall, Bank Surveys under this festival. The Competitive Examination Guidance Center is functioning to help students in rural areas to stand competently in today's competitive age and reduce their fear of competitive examinations. The center provides in-depth guidance on competitive examination guidance, interview techniques, English knowledge and personality development. It will be definitely fruitful for these students. Lectures by various subject matter are organized every year with the aim of enhancing the research attitude of the students in the subjects they learn while studying in college. College has organized a program entitled ' in the years 2018 & 2019 and 2019-20, in which guidance has been given on women's issues and empowerment. While studying in college, the students do not only have cognitive development but also their personality, sports, literature and culture. An annual symposium is being organized in the college every year for the purpose of development in every field.
