#### KEY INDICATOR : 7.1

#### Institutional Values and Social Responsibilities

**Metric: - 7.1.5-** Green campus initiatives include the institutional initiatives for greening the campus are as follows

1. Restricted entry of automobiles
2. Uses of Bicycles / Battery powered vehicles
3. Ban on use of Plastic
4. Landscaping with tree and plants

## 1. Restricted entry of automobiles

As the college is located in the rural area, there is low frequency of public transportation. Most of the students do not afford private auto vehicles due to their weak financial condition. Thus, students prefer bicycles to commute from home to college and vice versa. College has set up bicycle stands as a part of discipline and security. Along with this the institute has encouraged the students and staff to observe No Vehicle Day to reduce pollution level and conserve energy. Vehicles are parked near the entrance to reduce noise and air pollution.

## 2. Uses of Battery powered vehicles

**Felicitation of students for maintenance of green campus by using Battery Powered Vehicles**

**Felicitation of staff members for maintenance of green campus by using Battery Powered Vehicles**

### 3. limited use of Plastic

#### Ban on the use of Plastics:

The use of plastic in campus is minimized by creating awareness among staff and students through orientation by authorities and display boards in premises. Further harmful effects are also triggered through the N.S.S. cleanliness programs. Use of polythene bags less than 80 micron thickness is prohibited in the campus.

**Ban on use of Plastic- Boards are displayed at Entrance to promote the limited use of Plastic**

## 4. Landscaping

Landscaping with trees and plants: -

Green landscaping on the campus has taken place through several green initiative programmers by the Department of Botany. Green practices are conducted every year through NSS units of the college. Flora and Fauna of the campus are enriched with Trees, Shrubs, Herbs, Climbers and different types of bird's species. The college has a rich Botanical Garden with medicinal, ornamental and fruit plants collection.

# Green Campus Policy

## Introduction:

The institution has a green campus where environmental friendly practices go hand in hand with academics. The efforts are taken to promote sustainable and eco-friendly campus through various initiatives.

## Objectives:

- To make minimum use of plastic in the campus
- To implement environment friendly activities inside and outside of the college campus.
- To sensitize the staff and students on environmental issues
- To enrich the greenery in the campus
- To maintain eco-friendly ambience

## Measures:

- Enriching the greenery in the campus
- Minimum plastic use in campus is maintained and monitored by the staff
- College organizes awareness programs for green campus
- Ban of Plastic placards to be displayed in the campus
- Environment friendly extension activities to be organized
- Rain water harvesting system should be maintained
- Green and Environmental audits to be conducted
- Proper separation disposal and recycling methods are to be adopted for different waste

## Green Campus initiatives in the campus

### 1. Restricted entry of automobiles:

Vehicles should be parked at parking area to reduce noise and air pollution. Honking of horns should be prohibited in the college premises and speed limit should be restricted to 10 km/h.

## 2. Bicycles/Battery Powered vehicles:

As the college is located in the rural area, most of the students prefer bicycles to commute. College has set up bicycle stands as a part of discipline and security. Staff and students are to be encouraged to use e-vehicles.

## 3. Minimum use of Plastic:

The use of plastic in campus is minimized by creating awareness among staff and students through orientation by authorities and display boards in the campus. Use of polythene bags less than 80 micron thickness is prohibited in the campus.

## 4. Landscaping with trees and plants:

The campus development committee is constituted to look after the development, maintenance and monitoring of the campus. The botanical garden has endangered, endemic and medicinal plant collection. An adequate financial support is provided for proper care and maintenance of greenery in the campus. Landscaping of the college is worth seeing and reflects aesthetic sense. Utmost care is taken to develop and maintain landscaping by trained gardeners and supervisor.

## NOTICE

All the staff and students are hereby informed that, our college has decided to adopt “Keep your college clean” policy. You all know that our classrooms and the school compound get dirty with dust, empty food packets, pieces of paper, dry leaves etc. every day. Therefore, the said policy has been adopted to create a beautiful and healthy environment in our college. We shall pick up litters from the classrooms and the ground and put them in dust bins kept at various places in the campus.
